TEAM SKILLS

- **Collaboration:** Effective team player, leveraging diverse strengths for shared success.
- **Communication:** Clear communicator, fostering understanding among team members.
- **Conflict Resolution:** Skilled in addressing conflicts and maintaining team harmony.
- **Adaptability:** Quick to adjust, ensuring seamless cooperation in changing environments.

EDUCATION

Vasantdada Patil Middle school, Ambikanagar - 2018

SSC 93.40%

Samarth Jr. College, Karjat - 2020

HSC 87.68%

PCCOE, Pune - 2023 (Current)

BTech CGPA : 8.54

PROFILE

As a dedicated and enthusiastic B.Tech student, I possess a profound interest in the dynamic realms of Full-Stack Development and Artificial Intelligence/Machine Learning (AI/ML). With a strong foundation in technical skills and an insatiable curiosity, I aspire to contribute meaningfully to the intersection of technology and innovation.

PROJECTS

FY-College Lister for MH-CET(Website)

- Used HTML, CSS and Javascript for frontend and SQL and PHP for backend

SY - Tasky (Java based Project Management software)

- Desktop Application to keep track of project like Jira/Slack. We used JavaFX for frontend and JDBC, SQL for backend.

ACHIEVEMENTS

Runner up in Web-Dev Tech Fest

- GenQR - QR code generator from any text

Runner up in Web-Dev Anantya 2K23

- Travel site with frontend and backend

TECHNICAL SKILLS

Core

- Programming Languages: C, C++, Java
- DSA
- Computer Networks

AI/ML

- Programming Languages: Python
- Machine Learning Libraries: - PyTorch
- Deep Learning: - Neural Networks - CNNs, RNNs

Full-Stack Development

- Front-End Development: - HTML5, CSS3, JavaScript - Responsive Web Design
- Database: - SQL, MongoDB - Database Design
- Version Control: - Git, GitHub
- Web Servers: - XAMPP
